and what have you

by BOB CRAIG

If someone could come up with an idea or method to instill in people the desire to respect other people's property they should be awarded this nation's highest award. Vandalism and carelessness cost the people of this country more than any other one thing.

J. O. Murphree, Scoutmaster of our local scout troop, told the men and the boys of that troop have been fixing up the old Scout Hut at the West Lake but that they have to bring everything back to town after they meet or someone will destroy it. Even the light bulbs must be removed. Both the front and back doors are left unlocked and a sign on the door announces this fact but still the door has been kicked in.

Most of the landowners don't mind people, especially boys camping on their property but too many times the campers get careless with their fires and start grass fires. They will not clean up their mess after camping and too many show too little respect with their firearms.

This week someone broke into the high school building, damaging three or four doors, only to take \$4 or \$5. So often the damage done far exceeds the money or property taken.

Until someone can come up with an easier solution to the problem it should become the duty of every parent to take extra pain in putting across the idea to their children that they should show respect for other people's property. What can be done about the adults who fail to show respect for other's possessions, I don't know, unless when caught they are made examples of.

"The American Press," an independent magazine for the home town newspapers, released the results of a cross-section survey of the grassroots editors of the nation held recently.

The results show: these editors are strongly opposed to any form of government-sponsored medical or hospital aid to the aged; they want none of the proposals for aid to education; they are against a Department of Urban Affairs; they oppose a fall-out shelter program; they dislike the idea of a withholding tax on dividends.

In answering the 18 questions submitted the general attitude was: keep government out of education; keep presidential powers to a minimum; get out of socialization.

The following is an editorial by the editor of "The American Press" on this survey which sums up the thinking of most of the small-town editors:

"Once again, through an American Press poll, the grassroots editors of the nation have made it clear that they represent the stronghold of conservatism in our country.

"While many so-called spokesmen for the people are demanding more and more welfare programs and greater dependence upon handouts from Uncle Sam, the rural and small town editors are as opposed to these trends today as they ever have been in the past.

"Why is it that these editors don't go along with the tide? Our answer would be that country editors, more than most people, are aware of what can be done by self-reliance, local groups of citizens as compared with accomplishments under government paternalism.

"Week after week, these editors report on the stories of meetings held by local groups to plan for new schools, to handle local welfare problems, to raise money for hospitals, to build roads, to plan for community betterment. They know that these local activities build good citizens. And they fear that handouts from the fed-

BOYS NOW SELLING TICKETS FOR LOCAL SCOUT EXPOSITION

Tickets are now on sale for the annual Scout Exposition which will be held here Saturday, May 5, from 2 to 5 p.m. in the building just south of Frank's Department Store. The building has been cleaned by members of the Jaycee and Lions civic clubs in preparation for the event, which for the first time is being held locally rather than a District wide affair.

Boys who sell tickets will earn prizes from a patch for five tickets to a transistor radio for 125 tickets or a bicycle for 150 tickets. These boys can earn scout equipment during the sale and residents are urged to buy tickets even though they may be unable to attend the exposition.

The Dens are making their displays and each den has chosen a theme for their booth, Den 1, will display bird houses; Den 3, handicrafts; Den 4, puppets; Den 5, Cub science; Den 6, handicrafts; Den 7, scrap books; Den 9, boats, and Den 10, Cubbing at Home.

The Boy Scouts have chosen the following themes: Beaver Patrol, tenderfoot, knots; Eagle Patrol, first aid; Hawk Patrol, flags; Rattlesnake Patrol, Knives and axes and the Wolf Patrol, conservation.

A special feature of the Exposition will be the Indian Dance Team of Troop 8 in Abilene, sponsored by the St.

Mr. and Mrs. Gene Greenway are parents of a boy, Destry Gene, born March 30 in Rotan. He weighed 7 lbs. The father, Pvt. E-2 Loye G. Greenway, is stationed with the Army in Alaska. Mrs. Greenway, the former June Hill, is living with her parents, Mr. and Mrs. Delmer Hill.

Paul Methodist Church. The eight to ten scouts dressed in authentic costumes with dance bells and Indian pom poms will put on their act at 2:45 p.m.

Local Scout units will receive a commission check based on their ticket sales and all units are participating in the show to let the American people better understand the Scouting program.

Tickets are 50c each and children below high school age will be admitted free when accompanied by their parents.

JAYCEES RESCHEDULE THREE-ACT PLAY FOR TUESDAY NIGHT

The Three-act Professional play, "The Money Sucker" has been rescheduled by the Hamlin Jaycees for Tuesday, May 1, it was announced here by Charles Absher, president. The play was set originally for April 14, but was cancelled by the producers because of trouble within the cast.

The play will be held in the high school auditorium beginning at 8 p.m.

Absher had stated earlier that the play would be cancelled here, but since the programs had already been printed the club decided to reschedule it for Tuesday with the admission prices being lowered from \$1.50 for adults to \$1.00 and from 75c for children to 50c.

Proceeds from the play will be used by the Jaycees for their summer youth programs, which include sponsoring a Little League team, tennis and golf tournaments.

"The Money Sucker" is an engaging comedy. It's concerned with the escapades of Hank Smith, a lovable rogue, Ruben Jones, an oil rich farmer, and outer space. With flying saucers on everyone's lips, it's a rare treat to see one on our own stage. There are martians, and oil wells, D.J.'s and romance, laughter and a moral for all of us in "The Money Sucker."

Hank Smith says, "You can't cheat an honest man." You'll adore tight-fisted, miserly, rich old Ruben, Charlie and his comic books, and lovely Melanie.

The stage, alive and vital, has a necessary place in our social activity and education. All of us should have an opportunity to see living theatre. Too often the press of work and other obligations makes it impossible for us to go to the city, where good theatre is readily available. It's a rare treat to have a professional comedy staged in our own auditorium. "The Money Sucker" is an exhilarating comedy with several innovations rarely seen on the stage. It's an excellent example of the stage craftsman's art, wonderfully directed and with a young and vital cast. There'll be a wonderful evening in store for all who attend "The Money Sucker" in The High School auditorium on the night of May 1. Curtain time at 8:00 p.m. Tickets are on sale from any member of the Jaycees who are sponsoring "The Money Sucker" for their Youth Fund. Special arrangements with the Jaycees brings Broadway to our town at low, low admissions, \$1.00 for adults, 50c for children. Imagine what you would pay on Broadway. Treat the family to a wonderful evening of excitement and laughter by attending this professional play.

DALLAS PERKINS MAKES FORMAL STATEMENT IN SENATE RACE

Dallas Perkins, candidate for state senator from the 24th district, has issued the following statement.

I am running for the state senate because I feel that the people of this district want and need someone in that office who is not just a perennial politician with a closed mind and an open mouth. They want somebody who will represent them and not just a little group in Abilene.

There are three candidates in this race. My two opponents are running on their records because they have been serving in Austin for a total of 22 years between them. They have served with other such notable politicians as Allan Shivers and Bascom Giles. (They served with Bascom Giles in Austin—not Huntsville).

They always call themselves conservatives when they are running for re-election, but when you look at the record you will see that the state had a surplus in the treasury when they first went to Austin. Today, we are 86 million dollars in debt, and the state is writing hot checks to pay the bills. If that's conservatism, I'll eat my hat.

In the past when these perennial politicians have been running for re-election, they always said they would oppose a sales tax. But this last session, when the heat got turned on and the pressure was brought to bear, they folded up like they always do when the lobbyists go to work on them. And now we have a sales tax that we will pay the rest of our lives. Our children will pay it all their lives and generations yet unborn will pay it. I think we need a senator that is pressure proof.

Something needs to be done about this highway robbery that goes by the name of "merit rating system" for insurance premiums. There was a time when people would not go from one town to another for fear of being robbed. In those days, the man that stopped you was the same man who robbed you. But today, a highway patrolman stops you with radar, and your insurance company robs you for the next three

DALLAS PERKINS . . . seeks Senate post

years they charge you. This is costing the people of Texas 30 million dollars a year in excess premiums. And that money is not going into the state Treasury to build schools and highways. It is going into the left hip pocket of a bunch of insurance companies who have high paid lobbyists in Austin. When I am elected to the Senate, I will stop this highway robbery.

There is an old saying that everyone complains about the weather, but nobody can do anything about it. Everybody talks about these issues in this campaign. They are mad about them. And, unlike the weather, there is something that can be done about them. You can vote for Dallas Perkins for State Senator.

However, if you like this sales tax with all its inequities, if you like the state's being bankrupt and in debt, if you like this highway robbery that goes by the name of merit rating system, then you should vote for one of my opponents because they brought these things about. And if you vote for them, then you owe it to yourself and to them to quit complaining about the way your state is being run.

I feel that I have the ability and the energy to represent you well in the state senate. Try me. I'll make you a good hand.

40 Years Ago—

When it rains, it pours, and there has been some pouring since night fall last Saturday. Big rains have flooded the entire Hamlin country. The new City Lake Dam gave way and railroad and country bridges have washed out as the area received 7.17 inches of rain. Roads leading into town from

the south are out of commission, the new sewer ditches have sunk to where they are blocking many streets and there is a mail famine since the trains can not get through. The Rev. Edmonds has the honor of catching the first cat fish on Central Avenue Wednesday morning.

25 Years Ago—

"On The Avenue" is a feature at the Ferguson Theatre, starring Dick Powell, Madeline Carroll and the Ritz Brothers . . . George Dardan, writing in his "Listen Folks" column from McCauley says: "The cost of high living goes higher and higher every day. The governments, state and national, have spent so many millions of money and credit that every citizen holds his breath and wonders how long

NEINDA PHILOSOPHER IS MAD BECAUSE INCREASE OF STEEL PRICE WON'T UP PRICE OF FARM PRODUCTS

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 has found out about the increase in the price of steel, his letter this week indicates.

Dear editor: As I understand it, a lot of people, including the President, have gotten mad because the steel industry raised the price of steel, but I had man-

aged to control my temper until I read all the reasons why the price increase was called inflationary and therefore bad for the rest of the country.

According to the experts, you raise the price of steel and automatically you've raised the price of cars, homes, refrigerators, freezers, vacuum cleaners, tractors, plows, wrenches, nuts and bolts, etc. But, and here's what made me mad, nowhere in the list did you read that raising the price of steel would raise the price of farm products.

I checked all the lists, from all the Congressmen eager to be quoted, from all the economic experts, and not a one was worried about the possibility of cotton or corn or potatoes or fruits or vegetables or chicken or eggs or milk or beef or pork or anything else grown on a farm going up.

This is what burns me up. How come farmers ain't signed up with the economic index the same as steel and labor and nearly everybody else, outside of school teachers and preachers? How come we can't get in on these inflationary spirals?

The truth of the matter is, everybody takes farmers for granted so much that if we all announced that starting next Monday morning the price of all agricultural products would be increased 10 per cent on account of the increased costs of production, you think anybody would get on television and de-

clined to control my temper until I read all the reasons why the price increase was called inflationary and therefore bad for the rest of the country.

I checked all the lists, from all the Congressmen eager to be quoted, from all the economic experts, and not a one was worried about the possibility of cotton or corn or potatoes or fruits or vegetables or chicken or eggs or milk or beef or pork or anything else grown on a farm going up.

This is what burns me up. How come farmers ain't signed up with the economic index the same as steel and labor and nearly everybody else, outside of school teachers and preachers? How come we can't get in on these inflationary spirals?

The truth of the matter is, everybody takes farmers for granted so much that if we all announced that starting next Monday morning the price of all agricultural products would be increased 10 per cent on account of the increased costs of production, you think anybody would get on television and de-

clined to control my temper until I read all the reasons why the price increase was called inflationary and therefore bad for the rest of the country.

According to the experts, you raise the price of steel and automatically you've raised the price of cars, homes, refrigerators, freezers, vacuum cleaners, tractors, plows, wrenches, nuts and bolts, etc. But, and here's what made me mad, nowhere in the list did you read that raising the price of steel would raise the price of farm products.

worry about when it comes to us farmers doing anything inflationary. You're not going to catch us rocking the economic boat. We're too busy bailing water for that.

WHY?

DID CARL WHEATLEY VOTE FOR PASSAGE OF HOUSE BILL 113?

THIS BILL WOULD

HURTHE FARMER AND SMALL BUSINESS MAN.

WOULD FOR ALL PRACTICAL

PURPOSES ELIMINATE THE

MOVEMENT OF FARM

WORKERS WITHIN THE STATE

House Bill 113 sets out at great length several pages of detailed, complicated ridiculous requirements that must be met by any person or carrier who transports migrant labor with in the state. So ridiculous are the requirements that the newest school bus in your school district would not qualify.

The bill is clever, in fact, too clever an effort to lay out a catalog of requirements that on their face may at first appear plausible. Taken as a whole, however, the bill presents a great multitude of requirements, many of them of hazy or ambiguous meaning—all designed with one purpose in mind—TO ELIMINATE THE FLOW OF FARM LABOR.

The farmer's friends in the legislature defeated this bill. If it had passed and been enacted into law, it would certainly hurt the farmer and small business man. Candidate J. C. (Carl) Wheatley consistently worked against the small business man. His record shows that he voted for business only 6 times and opposed it 29 times. From the point of view of the AFL-CIO, however, Wheatley voted "Good" 15 times and "Bad" but 6 times. The migrant labor bill was endorsed and supported by AFL-CIO.

ELECT ROY ARLEDGE

By MRS. CLYDE PRITCHARD

The pastor of the Baptist Church here, Rev. John Woods is away in a revival meeting. He sent Rev. Norman Weaver, another teacher from Hardin-Simmons University to supply for him Sunday.

Mr. and Mrs. George Long moved into their new home in Stamford Wednesday. They have lived in this community for many years and we shall miss them very much, but we wish them every happiness in their new home.

Guest of Mr. and Mrs. Edwin Tacker this week were: Monday, April 16, Mr. and Mrs. Grady Potts of Fretress, Mr. and Mrs. Sanford Potts of McCaulley, Mrs. Lena Mae Criswell, Mrs. Ernea J. McAninch, Mrs. Maggie Wilson all of Merkel who are cousins of Mr. Tacker and of Mrs. Grady Potts. Curtis Rose visited briefly also.

Then on Monday night the Tackers and the Grady Potts visited with Mr. and Mrs. Carl Miveff of Roby for awhile.

The Olen Potts of Anson visited in the Tacker home Tuesday night, and Jesse Neal McAllister, a former resident of this community who now lives

Mrs. Nuet King and sons, Elbert and Jack of Knox City, visited with friends here Saturday. They are former residents of this community.

Mr. and Mrs. Don Haynes of Lamesa are here visiting their parents, Mr. and Mrs. Joe Carlton, Sarah and Kate and Mr. and Mrs. Hollis Haynes of Stamford.

Mrs. Haynes' sister, Sarah Carlton, is going home with them for a visit.

Mr. and Mrs. Ed Ashburn of Meadows visited Mr. and Mrs. Ben Ashburn Thursday and spent Thursday night with Mrs. Ruth Apperson and sons, John and Dulin.

Betty Wisener of Ranger Junior College spent the holidays here with her parents, Mr. and Mrs. C. E. Wisener and attended morning services at the Baptist Church.

Mrs. Estella Tomlinson, mother of Mrs. Herman White, is now visiting another daughter, Mrs. C. E. Wampler in Tyrone, Oklahoma.

Jim French of Killeen spent the Easter holidays here visiting his parents, Mr. and Mrs. Karol French and other relatives.

Oran Brigham Jr., student from University of Texas, Austin, also spent the holidays here visiting his parents, Mr. and Mrs. Oran Brigham Sr. and Randy and other relatives.

Mr. and Mrs. Craig Stephens and sons Bob and Keith left Thursday morning for Bryan to visit Mr. and Mrs. Jerry Crowley. Enroute home Saturday, they stopped at Temple and visited Mr. and Mrs. Buster Roland, their daughter and family.

Mr. H. M. Phillips Sr., entered Anson Hospital Saturday for tests and medical treatment.

Mrs. Lola Meads has been released from the Stamford Hospital and is now back in Attaway Rest Home.

Another visitor at the Baptist Church Sunday morning was Mrs. Joe Bennett of Bee-

ville, who is here visiting Mr. and Mrs. Willie Bennett.

Mr. and Mrs. Fred Osment and Lisa left here Thursday to go to Fort Worth where they attended the Ice Capades.

Mr. and Mrs. Floyd Price of Stamford and their daughter, Clea Gayle of Eunice, New Mexico, visited Mr. and Mrs. Walter Osment Friday night. The Prices are former residents of this community who have moved recently to Stamford from Abernathy.

Mr. and Mrs. A. J. French and boys went to Weatherford to see Mrs. W. R. Clardy. Mrs. French's father, Mr. Ed Pewitz, came home with them for a visit. Before coming home they all went to Fort Worth to visit Sgt. and Mrs. Charles Ballard and girls and also attended the Ice Capades while there.

Mrs. C. P. Amerson has been visiting her daughter, Mrs. Johnny Bryant of Hamlin who had surgery at Hendricks Memorial Hospital Tuesday morning. She has also visited her sister, Mrs. Jess Compton, who fell recently and had surgery at Stamford Memorial Hospital one day this week. She also visited another relative several times in Hamlin Hospital.

All these patients are better and Mrs. Amerson returned home Saturday night.

Mr. and Mrs. Royce Randal of Plains, Texas, spent the weekend here with her parents, Mr. and Mrs. C. E. Wisener.

A picnic was enjoyed at the French Park Saturday by Mr. and Mrs. Bill Pritchard, Gregg and Cathy, Mr. and Mrs. Dwain Stephens, Cinda and Hollis, of Hamlin, Mrs. Joe Carlton, Sarah and Kate, E. R. Polnac, Jimmy French of Killeen, Mrs. B. R. Baize, Van Baize, Mary Ellen and Robbie Osment, Mr. and Mrs. J. K. French and Leonard and Harry Haag.

MRS. PARKER KELLEY HOSTS LITERARY CLUB INSTALLATION

The annual installation tea held by the Hamlin Women's Literary Club Friday in home of Mrs. Parker Kelley.

The club colors of gold and white were used on the serviette which was covered with a white linen cutwork and centered with an arrangement of gold iris. Crystalline appointments were used.

Mrs. C. T. Murrell, J. W. Crary, Richard Young and A. Hackley gave reports on Mesquite District Convention.

Mrs. Parker Kelley presided over the business session preceding the installation. She presented the yearbook committee which includes Mmes. L. McBride and Richard Young.

Mrs. Murrell was elected delegate to the State Convention, TFWC, in San Antonio May 8-10.

Mrs. Kelley installed the following officers as she defined the duties and responsibilities of the officers: Mrs. Murrell, president; Mrs. W. L. Crary, first vice president; Mrs. Hackley, second vice president; Mrs. John D. Ferguson, recording secretary; Mrs. Ray Sonnenburg, corresponding secretary; Mrs. W. A. Cassle, treasurer; Mrs. Parker Kelley, parliamentary; Mrs. Donley Williams, critic; Mrs. Owen Pope, musician; Mrs. Bob Craig, reporter; Mrs. Murrell, librarian.

After the installation, Mrs. Murrell named members to serve in the following capacities: Mrs. Hunter, Federation counselor; Mmes. R. D. Moore, Molly Toler, Cassle, trustees; Mrs. Floyd Clifton, Woman's Forum representative; Mrs. Young and Mrs. Hunter, chairman of reports.

Friendship HD Club to Meet Fri.

The Friendship Home Demonstration Club met April 13 at the Mid West Cooperative Oil Mill Guest House for a program concerning diabetes, polio and heart disease. Mrs. R. C. Richey was hostess for the eight members present.

Mrs. Anna Carrigan discussed diabetes and polio and Mrs. Elmer Joiner gave information on heart disease.

The meeting Friday will be held here with the agent, Mrs. B. V. Newberry, giving the program on "Working with Placids."

The following committees were also named: Methods and Finance, Mmes. Cassle, Leonard Hartley, Clifton; Education, Mmes. C. F. Cook, Carlton, Edmund W. Robb; Fine Arts, Mmes. Tate May, Pope, York; Home Life, Mmes. Dick Maberry, Sherrill Bottoms, International Affairs, Mmes. Toler, S. L. Tate, W. A. Albrighton; Public Affairs, Mmes. Bill Shira, Bob Craig, W. L. Shivers; Texas Heritage, Mmes. J. W. McCrary, Moore, Ray Sonnenburg; Membership and telephone, Mmes. Donley Williams, Parker Kelley, Bottoms; Conservation, Mmes. Ferguson, Tarleton Willingham and Virgil Steele.

Mmes. York, Carlton and Ferguson were on the tea committee for the Friday meeting.

Mrs. W. B. Britton To Head B&PW Club For Coming Year

Mrs. W. B. Britton was elected president of the Hamlin Business and Professional Women's Club at the April business meeting held Tuesday evening at the Farmers and Merchants National Bank building.

Others elected for the 1962-63 club year were Lennie Greenway, first vice president and Membership chairman; Viola Avants, second vice president and program co-ordinator; Mrs. Ned Moore, third vice president and corresponding secretary; Mrs. Clifton Stuart, recording secretary and Mrs. J. W. Scifres, treasurer.

Mrs. Melvin Scott, president, presided for the business session.

Mrs. Rudy Hamric and Mrs. E. B. Watson were presented by the membership committee and were unanimously elected to membership in the club for the forthcoming year.

Mrs. W. O. Willbanks, librarian of the Harden Memorial Library, reported that thirty children's books had been contributed during National Library week.

Mrs. L. J. Cunningham, the chairman of legislation, announced that a speaker would address the club at the May program which will be held at 7:30 p.m. in the primary cafeteria, May 8.

The Tuesday evening program was presented by Mrs. Phil Burkett who gave a "Jewelry Fashion Show."

Officers will be installed at the May 22 business meeting.

BIGHAM-YOUNG DOUBLE RING CEREMONY HELD HERE SATURDAY

Wedding rites were read Saturday evening in the Church of the Nazarene for Patricia Ann Bigham and James Donald Young.

The pastor, the Rev. Cecil Stowe officiated for the double ring ceremony.

The bride is the daughter of Mrs. Thomas Bigham and Mrs. E. G. Young is mother of the bridegroom.

The bride was given in marriage by her brother, Buford G. Bigham.

Her attendants were her sister, Mrs. Robert Cary, matron of honor, Getrude Stillwell of Bethany, Oklahoma, and Mrs. Jerry Fred Jay of Abilene, bridesmaids.

Best man was the bridegroom's brother, Gerald Young. Groomsman and ushers were Joe F. Ford and Jack Willingham, cousin of the bridegroom.

Debbie Cary, niece of the bride, was flower girl. The bridegroom's nephew, Gerry Young, was ring bearer.

Phyllis Hollis and Barbara Cheshier of Fort Worth lighted

wedding tapers. Music was by Susie Holly, organist, and Odean Murphree vocalist.

The bride wore a gown of white peau de soie fashioned with fitted bodice and bouffant skirt. Pearls and sequins accented the lace which trimmed the neckline.

A tiara of seed pearls held her fingertip veil. Her bouquet was a cascade arrangement of white frenched carnations carried on a white Bible.

Attendants wore dresses of yellow Dacron with full overskirts of net. Scallop edged neckline and sleeves. Each attendant carried a single long-stemmed white carnation.

Reception following the wedding was in the church annex.

Both the bride and bridegroom are graduates of Hamlin High School. He is also a graduate of Texas A&M College. He is employed by the Farmers and Merchants National Bank.

The bride attended Bethany College.

The bridegroom's mother was hostess for the rehearsal dinner Friday evening at the Oil Mill Guest Room.

Jesse Goolsby's name was omitted from last week's high school honor roll. His name should have been listed with the All A Sophomore students.

Several Local Girls to Attend District GA

A number of girls from the Hamlin First Baptist Church will be among the approximately 1,000 girls, ages nine to 16, who will assemble at Hardin-Simmons University Saturday for the District 17 Girls Auxiliary Round Up.

Mrs. Rodney C. Dowdy, Rule, district director for the Baptist Girls Auxiliary, is in charge of the program. She also is president of the Women's Missionary Union for the Haskell-Knox Baptist Association. The WMU is sponsor of the GA organization.

The GA Round Up program, starting at 9 a.m. April 28, will be held in the H-SU Chapel-Auditorium. The girls will be guests of H-SU that afternoon for a performance of the annual Hardin-Simmons Inter-collegiate Rodeo. They will dine in the university cafeteria at noon.

The program will feature foreign students in H-SU in a "Round Up of the Peoples of the World." The GA units from the various District 17 churches will be given five minutes each to perform a musical selection, skit, or make some other presentation.

The Rev. and Mrs. Lonnie Doyle, Baptist missionaries, also will participate in the program and their five children will be guests of the GA members for the day, Mrs. Dowdy said.

WE WORK FOR ALL INDUSTRY

in the Center of the Southwest

Modern industry is a complex structure. Manufacturers rely on others to supply many things, among them raw materials, machinery, power, containers, transportation.

West Texas Utilities Company is both an industry and such a supplier. The product we make — electric power — is used by other industries in our service area.

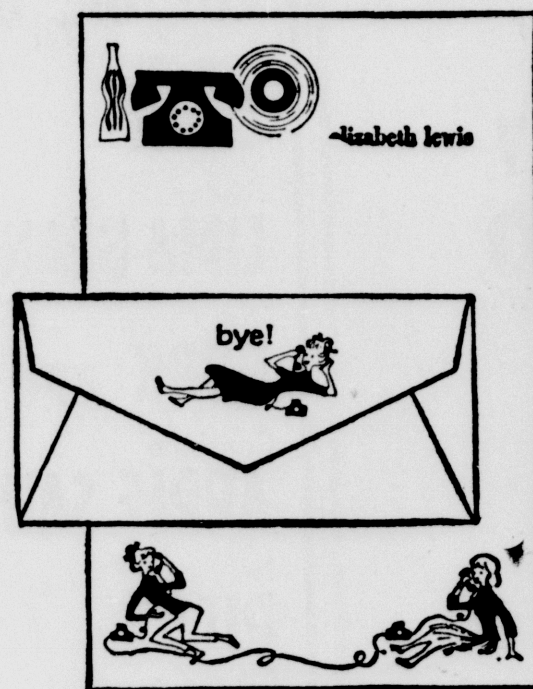

We are proud of this close relationship. It is our job to provide a plentiful supply of electric power today. It is our obligation to increase the supply as present

industries expand and new ones come in. Our current expansion program anticipates continuing industrial growth. One example is our new Oak Creek generating station pictured above, with another even larger plant already on the drawing boards.

To aid in industrial development, we will continue to tell the Nation's industrialists that "...in this area lies opportunity," as evidenced by the many industries thriving today in the CENTER OF THE SOUTHWEST.

By SANDRA SMITH

The members of the Pied Piper band will go to Abilene Friday to participate in concert and sight-reading contest.

A first in both of these contests is necessary for the band to win a sweepstakes trophy.

The contest will be held in the Cooper High School Auditorium, and Hamlin will be the last AA band to play.

The Hamlin Public School bands will present their annual spring concert on Friday, May 4. The concert will be in the high school auditorium at 7:30 p.m.

Tickets may be purchased During the meeting Friday

from all band members. Student admission is 25 cents, and adults, 50 cents.

The Spanish Club met in the high school cafeteria Tuesday night. After the business meeting, Thelma McClung, Mary Smith, and Betty Jane Robertson presented the program.

Mrs. Joe Wayne Carter and Mrs. Earl Smith will accompany three FHA girls to the State FHA Meeting in Dallas Thursday and Friday. The three girls are Mary Smith, Gloria Jenkins, and Mary Debs Rountree.

afternoon, Mary Smith will receive her state FHA degree.

Promoted to Staff Sergeant

Jesse W. Graham, one of the key non-commissioned officers in the 490th Civil Affairs com-

pany, has been promoted to staff sergeant in the Abilene Army Reserve unit.

Graham was called up last October with the 490th and has been stationed at Fort Gordon, Ga. since the unit arrived there late that month. He and his family were living

in Abilene at the time of the call-up.

Mrs. Graham, the former Martha Harrell, and their two children, Terry and Joel, are living with her parents, the Rev. and Mrs. T. M. Harrell. She is employed by the Hamlin Hospital Management, Inc.

TELEPHONE TALK

by Roy Eary, Manager

TV BIRTHDAY

Just 35 years ago, on April 7, 1927, an epoch-making experiment was completed.

Special equipment developed by Bell Telephone Laboratories flashed an image of Secretary of Commerce Herbert Hoover from Washington, D. C., to New York... and television was born.

Today, Bell Labs' search for new knowledge continues. The transistor, the Bell solar battery, and Direct Distance Dialing are three of its developments. Bell Laboratories' continuing research helps make your telephone service better all the time.

SPRING'S - A - RINGIN'

This year, spring's-a-ringin' with more home telephone conveniences than ever before. Here are three:

HOME INTERPHONE — a home communications system that lets you talk throughout your home... and even answer the door... by telephone!

EXTENSION TELEPHONES—In a wide choice of spring-like colors to brighten your home. And extension phones save time, steps and effort.

BELL CHIME—calls you to your phone in one of three ways: a loud bell, a soft bell, or a melodic chime.

There are lots of others, too, and they're easy to order. Just call the Telephone Business Office or ask any telephone serviceman.

JUST IN CASE

To keep your telephone operating 'round the clock, we use special oversize batteries, much like the one in your car, to furnish the electricity. We keep them charged with generators which operate on commercial power.

Should Hamlin's commercial power fail, these batteries can provide enough electricity to keep your phone operating for several hours.

In addition, we have stand-by generators which can provide service indefinitely, if necessary. Planning for emergencies is one way we assure you of dependable, uninterrupted telephone service.

Call by number. It's twice as fast.

FAIRVIEW NEWS..

By MRS. ELMER JOINER

Yesterday was Easter Sunday, the day celebrated by the Christian World as the day of our Risen Lord. Custom has it that all will wear a new bonnet on that day, so all of the little girls, as well as the big ones, in our church were all decked out in their Easter clothes Sunday and the congregation looked like one big bouquet of flowers. But the true spirit of Easter was not forgotten, with a wonderful Sunday School lesson and sermon.

Sunday afternoon, the smaller children of the community were treated to an Easter egg hunt at the church. This was

sponsored by Mrs. H. L. Ford. Mrs. Woodrow Goodwin and Mrs. Jack Wright, teachers of the primary department. Cup cakes fashioned as Easter baskets and pops were served at the conclusion of the hunt. All of the children went home with their baskets full as there was an abundance of eggs, it seems the Easter bunny was really on the job this year.

Visitors were also in abundance at church Sunday morning, which are always welcome. Mr. and Mrs. Bob Hollocome. Mr. and Mrs. Susie Shelton, all from Abilene were present. Mr. and Mrs. Johnny Lewis, parents of

FIVE GENERATIONS—Mrs. A. C. Tidwell of McCaulley is pictured above as one of the five generations present at a family gathering recently. Mrs. Tidwell, second from left, is shown with her father, John W. Newby of Springtown, left, who is 87 years old. Others in the picture, left to right, back row, are Warren Tidwell of Dennis, Mrs. Bobby (Beth) Light of Weatherford and, front, Sandra Light, also of Weatherford, who is the fifth generation member.

the pastor, were with us again. Miss Christine Boren and her brother, Dwayne, from Stamford were also present.

Coming to Church with his parents, Mr. and Mrs. Flavil Holmes, were Mr. and Mrs. Jimmy Holmes, Midland, who were spending the weekend with them.

Visiting Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. Joe R. Rosenbaum, Pampa, were in church with them.

Mr. and Mrs. Elmer Joiner were accompanied by Mrs. Jimmy Joiner, Ronald and Jeannie of Stamford.

Mr. and Mrs. Delbert Barron and boys, spent Easter with her father, Roscoe Greenway, and the Barrons were in church Sunday also.

Several from our church attended the workers conference at the Bethel Church last Tuesday night. Those attending

from Fairview were Rev. and Mrs. Derrel Lewis and children, Mr. and Mrs. Winslow Gray, Mr. and Mrs. Woodrow Goodwin and Mrs. Elmer Joiner.

Mr. and Mrs. J. S. Scott, Albany, spent Sunday with Connie, Della and Maude Drake.

Mrs. Viola Woodruff and two daughters, from Vivian, Texas, visited with them one day last week.

Mr. and Mrs. Terry Holmes of Odessa visited with his brother, Mr. and Mrs. Flavil Holmes, Saturday.

Ronald and Jeannie Joiner of Stamford, spent the weekend with their grandparents, Mr. and Mrs. Elmer Joiner.

Mr. and Mrs. Rex Jones and family, Abilene, visited his parents, Mr. and Mrs. Mel Jones, Saturday afternoon and were

showing off a new car.

Mr. and Mrs. John Beauchamp and Debra, visited with Mr. and Mrs. Elmer Joiner, Ronald and Jeannie Saturday night.

We are sorry to report that Mrs. W. L. Fletcher Sr., is still in the Hamlin Hospital in a serious condition.

Mrs. Watts Fletcher and Mrs. Alton Hewitt's mother, Mrs. Kate Goodwin, is also in the Stamford Hospital very ill.

We learned too late to get in the news that Mr. and Mrs. C. C. Renfro have returned to the nursing home in Roby, after spending a few weeks at home.

Mrs. Elmer Joiner attended the Consumer Day program in Anson last Thursday. She was one of the seventeen women chosen to model clothing from Graves and Neville store in Anson. None of the ladies could have any illusions about being chosen when it was learned that they were to feature the "hard to fit" woman. This consisted of the stout, tall, short, petites and others that have trouble finding clothes to fit their personal problems, but it was a lot of fun.

The Fairview Church received an invitation to the wedding of Miss Neda Ateek sister of Steve Ateek, that was held in the Baptist Church at Electra, Monday, April 23. Miss Ateek, recently of Nazareth, Israel, became the bride of Joseph Houson, Eastland, Texas, in a ceremony performed by the Rev. Doyle Combs, close friend of the Ateeks.

The brotherhood of the Fairview church will go to Swenson Baptist Church next Friday night to a barbecued chicken supper as guests of the Swenson brotherhood. The visitors will be accompanied by their pastor and will put on the program.

SCIENCE and GOD

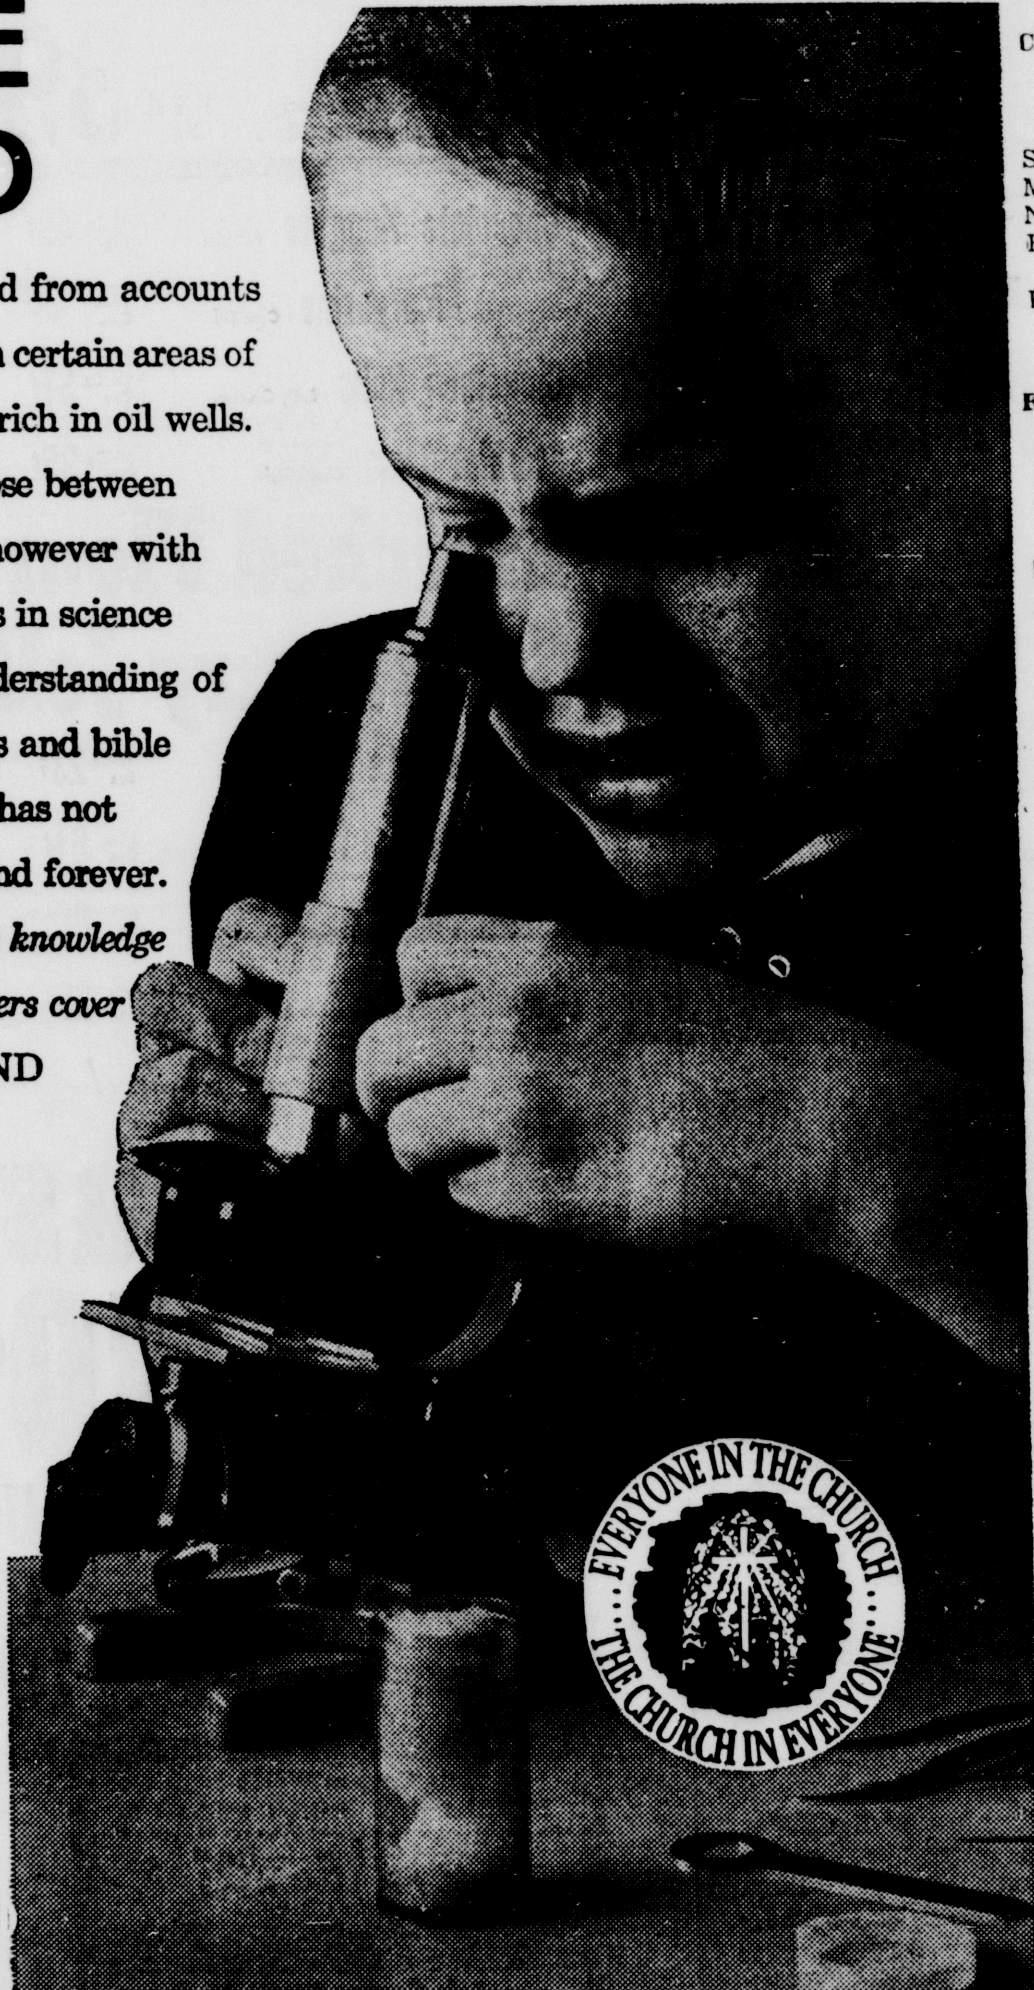

Not too long ago, a man determined from accounts
in the bible that oil could be found in certain areas of
bible lands . . . now this country is rich in oil wells.

In the past, vigorous arguments arose between
some scientists and bible scholars, however with
the passing of time, new discoveries in science
have helped us to have a better understanding of
God's word and now most scientists and bible
scholars are in accord. God's word has not
needed to be proved, for it will stand forever.

"For the earth shall be filled with the knowledge
of the glory of the LORD, as the waters cover
the sea." ATTEND CHURCH AND
STUDY GOD'S WORD.

The Church is God's appointed agency in
this world for spreading the knowledge of
His love for man and of His demand for
man to respond to that love by loving his
neighbor. Without this grounding in the
love of God, no government or society or
way of life will long persevere and the
freedoms which we hold so dear will in-
evitably perish. Therefore, even from a
selfish point of view, one should support
the Church for the sake of the welfare of
himself and his family. Beyond that, how-
ever, every person should uphold and
participate in the Church because it tells
the truth about man's life, death and
destiny; the truth which alone will set him
free to live as a child of God.

THE HAMLIN HERALD APRIL 26, 1962

of Oklahoma introduced the proposal. It would require oil imports to be cut to the 1956 ratio with U. S. production.

At the 1957 Governor's Conference, Daniel was successful in getting 32 gubernatorial signatures on a petition to Pres. D. Eisenhower, urging mandatory import controls. But he feels that nothing has been done to prevent imports from supplanting domestic production.

Daniel said that the recent schedule of eight-day allowables in Texas has resulted in a loss of more than \$100,000,000 in tax revenue for the state. May will be another eight-day producing month.

AGRICULTURAL WAR ON
 —About 40,000 bushels of sweet potatoes worth \$100,000 are in danger of being ruined by the sweet potato weevil, according to State Agriculture Commissioner John C. White. Some 1,200 growers in 10 counties plan to join the state in a two-month battle against the pest.

About \$15,000 will be spent to dust sweet potato crops and some 100 storage houses in Anderson, Cherokee, Houston, Leon, Madison, Nacogdoches, Rusk, San Augustine, Shelby and Trinity counties.

White says the war against the Kaphra beetle, which devours grain, has been won at a cost of \$100,000. But every precaution is being taken to prevent another invasion from out-of-state.

On the positive side of the planting problems, the agriculture commissioner said South Texas cotton farmers have been given a 10-day extension — to midnight April 30 — to plant, or replant where seeds failed to germinate because of unusually dry weather.

NO SECRETS ALLOWED IN SCHOOLS—A Texas law that says that public school authorities can suspend or expel a student who solicits members for a fraternity, or other secret society, also prohibits other organizations from doing so. Attorney General Will Wilson has so ruled.

The law allows the formation in schools of Boy Scouts, Hi-Y, Girl Scouts, DeMolay, Rainbow Girls, Pan-American

from Dallas Perkins

My opponents for the Texas Senate say everyone in this district owes his job to them. On account of, they passed a law called "right-to-work" law. Most people would give the Almighty a little credit for good health and the ability to work. Not so my opponents.

Friend of mine in McCaulley wonders why they didn't think to pass a "right-to-breathe" law. That would appeal to everyone—even politicians who don't want to work at all, but have to keep full of hot air.

eral government would weaken and demoralize people who have learned to take care of their own needs.

Furthermore, these editors are more aware than the majority of people how tax money is squandered, how costs rise and how politics dirty the picture whenever social problems are handled from Washington. They object to the federal government siphoning off the hard-earned money of local taxpayers and returning it, only in part, in the form of gifts from dear old Uncle Sam.

"The country editors have never lost faith in the ability of the people to accomplish greater things at the local level than could ever be accomplished by a far-away and unwieldy national government. Changing times, new conditions and the country's rapid growth have done nothing to weaken this faith in the miracles which can be performed by a self-reliant citizenry when left to take care of its own affairs."

VFW Convention Set for Brownwood

BROWNWOOD — Veterans of Foreign Wars delegates and Ladies Auxiliary representatives will meet here this week-end for the Spring Convention of District 8, Department of Texas, which will be held at Brownwood's "Heart o' Texas" Post 3278.

Billie L. Dorris of Austin, state quartermaster-adjuvant and editor of the Texas VFW News, will address the convention and will be Department of Texas representative at the semi-annual meeting.

District President Charlie Henry of Stamford will preside during main sessions of the convention. Mrs. Oather Hanks of Sweetwater, district Ladies Auxiliary president, will conduct separate meetings for that organization at Hotel Brownwood.
